TRICOLORE

The name Tricolore refers to the three colors in the Italian flag –green, white and red. For us the three colors also represent what we are: *fresh fast friendly*

Michael and Claudia, an Italian-Swiss couple, opened Tricolore caffè in 1995 with the aim of offering an extensive menu of healthy and delicious Italian food at a reasonable price.

Each morning, the Tricolore team arrives in the kitchen before dawn to accept the daily delivery of fresh ingredients. Every day, we bake the focaccia bread, chop vegetables, grill chicken, prepare soups from scratch, and mix our signature homemade sauces and salad dressings.

When you arrive, our friendly staff is ready to quickly prepare your favorite pizza and pasta dishes. We always provide fast service, so that you can take the time to savor our fresh Italian foods or enjoy a cup of authentic cappuccino, while relaxing at our caffè.

CATERING

Tricolore offers breakfast and lunch catering for all your office meetings and social gatherings. The entire menu is available for catering, including the hot pastas and specialty finger food platters. Your delivery can arrive as labeled bags or on nicely arranged platters. Just let us know what your needs are. You can call or use the especially designed catering fax order forms available at the register or on the web.
